The Blood Pressure monitor is to be worn for a period of 24 hours.

PRE-TEST PREPARATION

The device can not get wet. We advise that you shower prior to having the device fitted and to avoid using body lotions, oils or powders.

For your own comfort, we recommend you wear a loose fitting shirt.

PRIVATELY BILLED FEE

At present, the service does not attract a Medicare rebate and patients will be billed privately. The fee of \$85* will be required at the time the monitor is fitted.

Patients that hold a Department of Veteran Affairs card do not need to pay, as the cost of this test will be covered.

If you require further information please contact the Collection Centre where you have booked an appointment.
