PATIENT INSTRUCTIONS - PINWORM

NOTE: This test should be performed at home as soon as the patient wakes in the morning.

1. Remove the sticky tape from the slide.
2. Hold each end of the tape and press it onto the left and right side of the perianal skin.
3. Place the tape back onto the slide, sticky side down.
4. Place slide into the slide holder and return it to the collection centre ASAP.
