

# Telehealth pathology requests

Laboratory Update | 8 October 2020

Using one of the options below, email or fax a pathology request form to Douglas Hanly Moir Pathology (DHM) and by SMS, we will provide your patient with secure access to a copy of the request form.

## Standard pathology request form

- Complete the form as usual (ensure a mobile or phone number is included for your patient)
- Email the completed form to [pathologyrequest@dhm.com.au](mailto:pathologyrequest@dhm.com.au) or
- Print and fax to (02) 9855 5609

## Interactive request form via [dhm.com.au/telehealth](http://dhm.com.au/telehealth)

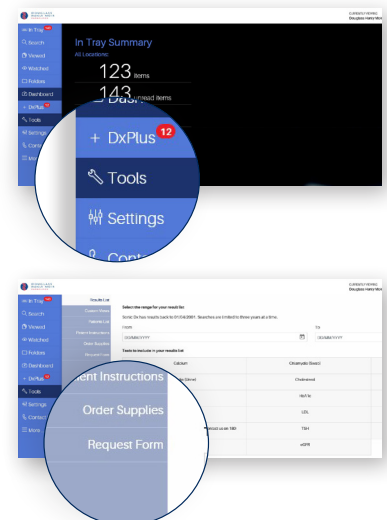

- Download the interactive PDF, save to your computer and complete the form
- Email the completed form to [pathologyrequest@dhm.com.au](mailto:pathologyrequest@dhm.com.au) or
- Print and fax to (02) 9855 5609

## Using Sonic Dx Tools

- Log in via [www.sonicdx.com.au](http://www.sonicdx.com.au) (enter your username and password)
- Click on Tools > Request Form
- Download the interactive PDF, save to your computer and complete the form
- Email the completed form to [pathologyrequest@dhm.com.au](mailto:pathologyrequest@dhm.com.au) or
- Print and fax to (02) 9855 5609

Please contact Client IT on 1800 653 779 for set-up support for Sonic Dx.
